Great Jeff. I am glad you will be joining us. I will make sure we start no earlier than 10:00.

Will you all be testifying at the BOF meeting? If so, who? Also, it would probably be good for us to share our draft testimonies to ensure alignment don't you think?

Alan,

I am going to be the representative from NMFS for these meetings. Of the dates you offered to Rob Walton, I am available for all of them *except* April 8. I normally start work at 8:30 so a 10:00 am start time in Salem seems reasonable considering morning traffic and all.

Thanks,
